

Deanery Chapter 22 April St George in the East

*Almost 20 of us met for prayers and lunch at Michaels.
Thanks for coming and thanks for sending apologies those of you
who weren't with us but took time let us know.
Michael -thank you for prayers and lunch -excellent.*

Main item

1. Training Irena Edgcumbe

Irena brought us up to speed with the Area training review and introduced a discussion around New Step. Whilst New step has it's enthusiasts amongst us there were others who were unlikely to use it if it were to be revitalised.

Due to the shortage of time Irena had with us discussion around other aspects of the training department's work were curtailed. **Irena urged all present to complete the training department 'survey monkey' Please contact Irena if you have mislaid the link.**

2. Intern scheme Fiona Green

Fiona brought us up to speed with the intern scheme which sounds exciting; from Sept 2013 -4 interns will live in De Beauvoir town each attached to a separate parish, together serving the Stepney area. The BLMF have generously supported this as each intern will cost 15k. Interns are being asked to contribute £1k and receiving parishes the same.

Parishes who would like and intern must apply before S25 May

Intern applicants need to apply by W8 May

The pack is available on the Diocesan website 'Job section'
